PUWE Mission Statement

The Princeton University Wind Ensemble seeks to provide a place where university members can continue to challenge themselves to higher levels of repertoire, learn from their peers and their conductor, and pursue their passion and enjoyment of music while on campus.

IN MEMORY of RICK F. MODICA '99...

In 1996, Rick Modica '99 began a mission to bring a wind ensemble to Princeton University. He worked for a year and had founded the Princeton University Wind Ensemble (PUWE) when he was tragically killed in a car accident in the spring of 1997. Rick will always be remembered for his commitment and dedication and his legacy will forever live in the hearts of each and every member of this ensemble.

The ensemble restarted the following year and prepared a concert in the Spring of 1998 in the University Chapel in memory of Rick. Dr. Biancosino, director of Princeton High School bands, conducted the ensemble during the premier concert. That year, the ensemble included 20 students from Princeton University and about 20 students from Princeton High School. Since then, we have grown to over 50 members, and have continued to develop our musicianship and identity as a group. We look forward to continuing our success, exploring both challenging new repertoire as well as revisiting old favorites.

PUWE is an excellent musical outlet for all woodwind, brass, and percussion players at Princeton University. Students retain much control of the group and their leadership permits them to choose the direction of the ensemble, making it an ideal group for dedicated instrumentalists.

Our Conductor

Robert Gravener is an accomplished professional musician who joins PUWE from the Philadelphia Pops Orchestra where he currently plays trumpet. Previously, Mr. Gravener directed the Nottingham High School Concert Band, Jazz Band and Marching Band for 25 years. Gravener is very excited about the how much PUWE has grown in musicianship over the past few years and is looking forward to many more years of inspired music making.
